BBC 2008 ANNUAL MEMBERSHIP MEETING  
Oct. 17th through Oct 19th, 2008  
Tygart Lake State Park  
Grafton, WV

Our annual meeting is a week earlier this year. We should expect better weather (though we've been lucky in the past even with later dates) and better fall color. But Mail Bag delivery schedule may put this notice in your hands at the last minute. **Cut-off for room reservations is Sept. 30<sup>th</sup>.**

There is no way this year's program can top last year's 75<sup>th</sup> anniversary celebration but I do plan a full day outing on Saturday and our nearly famous annual picnic and of course there is the always important fellowship with friends of similar interests and organizational meetings. Please try to attend and be part of it. Rooms are available at the Lodge. Camping facilities are available with and without electrical hookups.
