

LABOR DAY WEEKEND
Greenbrier County Youth Camp
Sept. 3-6 2010

It has been several years since the BBC has been to the Greenbrier County Youth Camp for a Labor Day weekend, and 1994 was the last time we had a foray there, so it will be nice to return to a favorite spot of many and explore around to the interesting areas close by to camp and enjoy the clean mountain air.

The Camp Manager would like to remind us that they have done extensive renovations to the camp since our last visit and are sure we will be impressed. We are scheduled to arrive anytime after 1pm on September 3 and our first dinner meal will be a BBQ. The cost of the weekend includes three nights lodging, breakfast, lunch, and dinner for Saturday and Sunday and a brunch on Monday morning from 9:30am to 10:30am. Camp cooks will be providing the delicious meals we remember from the past and might even offer some of their favorite recipes if we ask them!

The Youth Camp will furnish beds and mattresses for participants but we are responsible for all of our own bedding (or sleeping bags), linens (towels), and hygiene products. The dorms are quite comfortable with indoor bathroom facilities in each. The swimming pool may be available for use. When the swimming pool is available it will be available at times designated by the Camp Manager, in consultation with the BBC.

Located in the assembly hall is a designated phone 304-497-2168 for our use. We can make local calls free of charge and long distance calls with the use of a phone card. Additionally, there is a pay phone located outside at the camp office. Cell phone and internet service is not available at the camp.

The camp address is: Rt. 21-8 Box 210, Frankford, WV 24938. Cell phone 304-667-7018

This will be a very affordable three day weekend. **Total cost per person will be \$135.** **Deadline for reservations is August 10** Make out check to **Brooks Bird Club, Inc.** and mail to: **John Jacobs, 1027 Stoney Run Road, Independence, WV 26374** along with reservation form. John's cell phone number is: 304-282-6353. Email at nonejj@gmail.com (Must be a member of the Brooks Bird Club to attend.)
