I hereby apply to have the above described property registered as a WILDLIFE SANCTUARY with THE BROOKS BIRD CLUB, INC., and agree to maintain conservation practices designed to protect the wild plant and animal life which it contains. To be effective, posting signs should be placed at intervals of at least every 300 feet along the borders of the property, at all corners and at road or trail entrances. Signs 9x12 inches, made of 27 gauge cold rolled prime steel, with black copy on yellow baked enamel and two prepunched holes are available from the Club.
