

**BONUS BIRD WEEKEND**

Terra Alta, WV  
August 8-10 2008

The BBC will be going to Terra Alta (Preston County) in August this year instead of our usual outing scheduled in July. It is always nice to return to one of our favorite spots in West Virginia and explore the many interesting areas close by to camp. This will not be a structured weekend, and everyone attending will have input as to where we will go for our all day trip on Saturday. Camp facilities are a little “rustic” but include the important things like a fully equipped kitchen, nice dining and living area, hot showers, and “outdoor” restrooms. Four person tents (which are large enough to stand inside), along with cots will be provided for those who do not have tents or campers of their own. There is ample space to pick your spot if you do camp independently, but electrical hook-ups are not available.

This will be a very affordable weekend, providing everyone who arrives adds their name to the “sign-up sheet” to help with chores like: help with the meals (very little cooking), dish detail along with tidying up. Camp will officially open at 7:00 p.m. on Friday evening. **Make sure you stop for dinner before arriving.** Except for snack Friday night, the first scheduled meal will be Saturday morning breakfast. We will pack our lunch for the all day trip on Sat. and have dinner at camp. Sun. breakfast and lunch are included before we breakup camp. **\*TOTAL COST \$45.00. Deadline for reservations is July 30.** **Make check payable to: Juanita Slater** and send to 57290 Mehlman Road, Bellaire, Ohio 43906 along with reservation form. (Must be a member of the Brooks Bird Club to attend.)
